FF Highway Road Project

The Missouri Department of Transportation will begin long-awaited improvements on FF Highway in Spring 2026. Road closures are expected throughout the spring and summer seasons.

The Association will share updates through our newsletter, website, official Facebook page, and email communications. At this time, MODOT has not provided an exact start date.

We have also requested that our neighborhood **not** be used as a detour during the project.

Please see the following message from MODOT.

Upcoming Corridor Upgrades Project Along Route FF in Platte County

The Missouri Department of Transportation Kansas City (KC) has an upcoming corridor upgrades project along Route FF from Rush Creek Bridge to Crooked Road in Platte County. The purpose of this project is to redirect drainage to ditches and crossroad pipes to prevent erosion on the roadway slopes as well as resurface the route. Sections of the roadway will be closed to through traffic and signed detours will be utilized.

For more information about MoDOT news, projects, or events, please visit our website at <https://www.modot.org/kansascity>. For instant updates, follow https://x.com/MoDOT_KC on X, or share posts and comments on our Facebook at www.facebook.com/MoDOT.KansasCity. MoDOT Kansas City maintains more than 7,000 miles of state roadway in nine counties.

Job Opportunities for 2026 Pool Season

We're looking forward to warmer weather and the start of the 2026 pool season—and we hope you are too! Tara and Julia will be back this year to help manage the pool, and we're excited to build on the amazing experience our staff created last season.

We truly couldn't do this without the best pool staff in the Northland. We encourage you to apply soon so we can begin finalizing our 2026 team.

Scan the QR code for more information and the application.

The 2026 pool team will be selected by March 15, 2026.

President's Corner – New Year Update

Hello Neighbors,

As we start a new year, I want to say thank you for the continued support and involvement across our community. A new year is always a good opportunity to reset, look ahead, and keep building on the progress we've made together.

Thank You to Our Outgoing Board Members

I want to personally thank our outgoing board members — Ed Cayton, Meghan Robinson, and Carly Rouse. Serving on the board takes real time and commitment, and their willingness to step up and give back to the neighborhood has made a difference. We truly appreciate the energy and care they've brought to Walnut Creek South.

Welcome to Our New Board Members

Please join me in welcoming Halley Freeman and Ken Emerson to the board. We're grateful they've chosen to get involved, and we're looking forward to working together as we move into the year ahead.

Preparing for the Upcoming Pool Season

Even with winter still here, preparations for the upcoming pool season are already underway. The board has started planning early to make sure everything is in place for another smooth and enjoyable summer.

Looking Ahead to Spring

As spring approaches, we'll continue focusing on general maintenance, planning, and preparation throughout the neighborhood. That includes watching how common areas come through the winter months, finalizing pool plans, and preparing for the busier seasons ahead.

Thank you for being part of such a great community. We're looking forward to another positive year together and appreciate the role each of you plays in making Walnut Creek South a wonderful place to live.

See you around,

Bryce Palmer

President, WCSHA
